	<p>-Jess Hope who is leading the playground committee joined our meeting to discuss a collaborative approach to the fall fundraiser. Kelly mentioned that we gather from the same 'pool' of financial contributors and volunteers so wanted to know if playground would be receptive to which Jess felt they would be.</p> <p>-Jess mentioned that Lions food truck attended last year and the shish kebab hut was willing to attend for food options. Games such as cake walk, sack races, 3-legged race, frog jump etal. were all raised as fundraising ideas along with having some large trucks such as the firetrucks, paramedics and Hiawatha join for "touch a truck"</p> <p>-Jenn suggested we consider a flat rate of \$20 where attendees would get a bracelet and could then participate in as many events as they wish. Kelly also mentioned that a 50/50 and raffle basket would be a good idea as a way to boost funds as well as a donation jar was mentioned by Jess.</p> <p>-Andrea suggested that perhaps the daycare could also be involved?</p> <p>-Julie cautioned not to hold the event on Tuesdays as the fire dept runs their weekly training so September 19th has been put forward.</p> <p>-Kelly will set up a google doc and give access to those who can help with the event and agreed to lead the initiative through the summer to keep everything on track.</p>
